## 2022 Speaking Packages

"The word inspirational is an overused one.  
Not in this case."

- Mia Freedman, MamaMia

Without a doubt, Turia Pitt is one of Australia's most admired and widely recognised people and keynote speakers.

You may have heard of her story - she's the girl that was running in an ultra-marathon and was trapped by a grassfire receiving burns to 65% of her body.

Since then? She's written four best-selling books, coached over 40,000 people in her digital courses, shared a stage with Tony Robbins, competed in the Ironman world championships, sailed a boat around French Polynesia, rubbed shoulders with Harry and Megs, been an answer on the game show Hard Quiz, met some amazing people and grown a team and a thriving business.

She's been a finalist for Telstra Businesswoman of the Year, a finalist for Australian of the Year, been named a Westpac Women of Influence, and has been a mentor alongside Julie Bishop and Janine Allis.

Yes - she's a bit of a legend and she'd be stoked to share her message of resilience with you and your team :)

PS: Here's a [quick reel](#) of Turia doing her thing.

## Motivational Speaking + Coaching

### VIRTUAL KEYNOTE ADDRESS

Turia's keynote runs for 40 minutes, and she shares the lows and the highs - the adversity she has faced, and the tools she used to rebuild her life and achieve her goals. She's engaging, refreshingly candid and her story will astonish you, inspire you and leave you laughing.

### KEYNOTE ADDRESS

Same as above, but in real life! Turia doesn't do much speaking IRL these days (kids, hey?) but if we feel your event is a good fit we'll make it work!

### CUSTOM KEYNOTE ADDRESS

Want Turia to talk about something else? Let us know, we'd be thrilled to provide you with a custom speech.
